CHAPERONE - DIRECTOR AGREEMENT

From _____ to _____ the members of _____ have been
       (date)   (date)   (group)

invited to participate in the daCi Conference being held in _____.
                                                                      (location)

As a chaperone of this group, I, _____ I agree to the following:
                                          (name)

1. I understand that I am representing _____
                                              (group)
    and my home during the entire trip and that I will do my best to leave a good impression with all people with whom I come in contact.

2. I understand that the safety and welfare of the dancers traveling with me is my primary responsibility and I will therefore work with them to make their trip a safe one. I will not allow play among other dancers in a way that could cause injury, such as wrestling, punching, carrying, etc.

3. I agree to take responsibility for the dancers assigned to me, making sure they are present whenever we move from one location to another, communicating with them daily about their health, their general attitude, and helping them solve any problems that may arise. I will be available to offer comfort and assurance to my assigned dancers and to help any other dancers seeking my help.

4. When I must leave the group to go off on my own, I will first check with the head chaperone, and I will make clear arrangements with another chaperone to assume responsibility for my assigned dancers during my absence.

5. I understand that the head chaperone is in charge of the group and is responsible for all decisions affecting the group.

6. I understand that the head chaperone is responsible for asking for help from individual chaperones when the need arises in order not to be overwhelmed with details. He/She will, to the best of his/her ability, provide clear instructions on what responsibilities accompany each assigned task. He/She agrees to train chaperones for specific tasks when it is important how these tasks are carried out.

7. I will encourage, respect, and help each of my fellow chaperones and the dancers, remembering to always be positive. I will discuss any problems or concerns with the head chaperone. I recognize that open, straightforward communication is the best way to resolve problems.

8. I know that this trip is a big opportunity for me and for all the other adults and dancers with whom I am traveling. I will do my best to make the trip a fun and rewarding one for everyone involved.
